A Fresh New Look for our Online Banking!

We've made updates to our online banking. Mobicint, (our new online banking interface) is now LIVE! It has the same tools but with a new look, extra features, and greater security.

APELTeller is going to be discontinued this summer, so we upgraded and chose Mobicint to enhance your internet banking experience. Mobicint can do everything APELTeller did plus more! Please feel free to call us with any questions or concerns.

National Credit Unions Celebrate Youth

We hosted a savings challenge during this year's Youth Week which happened to coincide with spring break (March 27-31). We encouraged young people to save for something they care about by offering prizes for participating. For every deposit made or new savings account opened by our young members, they were eligible for prizes.

Also, April is National Credit Union Youth Month and the theme is 'Give a Hoot about Saving'. Owls represent wisdom, and nothing is wiser than learning to save for one's future goals.

Learning to save for what you want in life is a crucial life skill, but it's one too few young people are learning. That's why for financial literacy month, BCSCU is focused on helping young people develop good saving habits.

February's CU4 Kids Fundraiser

We want to thank our members for helping raise \$320.00 during our CU4Kids Valentine Fundraiser. Proceeds will go to Doernbecher Children's Hospital. We had a raffle drawn and our lucky winner was treated to a date night dinner for two from Applebee's and a movie of their choice. Thank you for participating in this fun and worthy cause.

On the same note, we have another fundraiser going on right now. As you can see on the picture to your right, we still have quite a ways to go. Our goal is to fill the jar with loose change. So next time you stop by, bring your loose change and help us achieve our goal. All BCSCU fundraising projects benefit the Doernbecher Children's Hospital.

Tax Special Loan

Need help paying your taxes? Or perhaps you need your tax return money early? Consider our short term tax special loan. You can borrow a maximum of \$5,000 at 4% APR and payable up to 36 months.
