REQUEST FOR ELECTRONIC DELIVERY OF BCSCU STATEMENTS

e-Statement Delivery: By providing BCSCU an email address and checking an option below, you request and consent that Benton County Schools Credit Union provide your monthly/quarterly share and loan statements and/or monthly Visa statements in electronic form (accessed via our web site). Your current statement will always be available electronically. In addition, statements for at least the last 24 months will be available electronically. Each period during which a statement is generated for your account, we will send you an e-mail notice when your statement becomes available. We will use the e-mail address you have provided us. If you change your e-mail address, you agree to notify us immediately of your new e-mail address. You may notify us by e-mailing us at contactus@bcscu.org or through the online process available through our home banking website. You also consent to receive all other account disclosures that would normally be sent with your paper statement electronically.

Requesting Paper Copies: You may print paper copies of your e-statements if you have a printer. To request a paper copy of any statement, you may e-mail us at contactus@bcscu.org or write to us at 2101 NW Professional DR, Corvallis, OR 97330. You will be charged a fee of $2 per paper statement you request from us while signed up for e-Statement delivery.

Termination of Consent: You may terminate your consent to electronic delivery of your statements at any time by visiting the e-Statements/e-Alerts page via home banking and clearing the check mark from the 'Statements' or 'Credit Card' box, or by notifying us in writing at 2101 NW Professional DR, Corvallis, OR 97330. There is no fee for requesting e-Statements, or for terminating your consent to receive e-Statements. We may change these fees or service restrictions at any time upon such notice as required by law. You agree to allow us a reasonable time to resume providing statements in paper form.

System Requirements: You must have an internet-capable computer, internet browser, modem, and telephone line or other means of accessing the internet, and Adobe Acrobat or other similar reader capable of viewing PDF documents. If we change these requirements, we will notify you of the changes.

Please provide me with e-statements instead of paper statements, under the terms set forth above. I certify that I have read these terms and that I have access to hardware and software that complies with them.

I understand that I will receive an email with instructions to complete my e-statement signup. I further understand that failure to follow the email instructions will cause the credit union to invalidate my request and I will continue to receive paper statements.
